“A Must For Accurate Record Keeping”

Our Private Equity Services

WST does not "nickel & dime" or apply any hidden fees. WST provides an "ALL INCLUSIVE" fee structure, which includes the following services at No Additional Charge:

- Unlimited Book Entry or Certificate Issuances
- Unlimited DRS & DWAC Transactions (electronic transfer of shares)
- Unlimited Shareholder Reports
- Unlimited Online Services for Clients & Shareholders
- Complete Shareholder Relations Support
- Escrow and Lockbox Services
- Accurate Record Keeping & Account Maintenance
- Maintenance of Related Stock Classes; including Reorganization Files
- Fully SEC Compliant

Our main goal for private companies is to increase professional information continuity, while providing large cost savings. Our highly experienced staff and networking affiliates have an unlimited amount of resources that will not only fulfill your every stock transfer need, but also walk you through the process every step of the way.

Our professional staff will streamline the issuance and transfer process in a timely manner, ensuring efficiency and accuracy for all transactions. To contact us, please email our Senior Vice President, Yonah Kopstick, at info@wwstr.com or call us at (201) 820-2008.

*WST is registered to conduct stock transfer transactions with the Securities & Exchange Commission (SEC), the Depository Trust Company (DTC) & is a member of the Securities Transfer Association (STA), & Better Business Bureau (BBB).
